Dear Manfred,

I would like to take this opportunity to thank you for the outstanding workmanship and service that you have provided Minuteman Press over the past several years.

The dedication and professionalism that you have shown is second to none. It is heartening to see a Small Business Owner in such control of the whole Signage Process!

I would not hesitate for a second to recommend your services to both business colleagues and my friends.

Once again many thanks and wish you all the very best in your future business.

Best Regards,
